We have tripled the size of our parts operation to a 120,000 square foot warehouse which currently offers more than 40,000 items. The expansion supports and fuels our growth from order placement to shipment with same or next day shipment on all orders. Behind the scenes a team of Dealer Representatives are available 8 AM to 5 PM (Central) for live parts support. In addition, the Mahindra Parts Catalog System offers 24/7 look up, order entry and return. Embedded in the catalog system is an iOS & Android mobile application plus an integrated in Dealer Website for customers and is configured with unique features. Our product range includes spare parts for Tractors, Attachments and Utility Vehicles plus numerous competitive items such as Lubricants, Fuel Additives, Chemicals, Anti-Freeze, Canopies, GloPower and Oil & Filter Service Packs.
